

CAMPUS SECURITY

Campus Security has staff on duty 24 hours per day, seven days per week. Campus Security is dedicated to serving the College community by striving to provide a safe and secure environment for students, faculty, staff and visitors. Specific elements of the Campus Security mission include accident investigations, incidents, crime investigation, crime prevention, vehicle assists, parking and traffic enforcement, and emergency training and response.

Rave Mobile Safety

As part of our ongoing efforts to enhance safety and security on all campuses, LCCC sends emergency notifications to students using Rave Mobile Safety. Rave allows us to send emergency text messages and emails through the Rave Alert software.

Students and staff can download Rave's app, Rave Guardian, from the App Store (<https://itunes.apple.com/us/app/rave-guardian/id691246562?mt=8>) or Google Play (https://play.google.com/store/apps/details?id=com.ravemobilesafety.raveguardian&hl=en_US) for additional features. The app provides the ability to contact Campus Security through a phone via voice or text capability. Students without a mobile device will receive a notification at their LCCC student email address.

No action is required by students to receive alerts. We use the contact information currently on file to send these emergency notifications.

Location and Incident Reporting

The Campus Security office is located on the first floor of the Bass Library/Community Resource Center (LC 106) and may be reached from anywhere on campus by calling (440) 366-4053 or TDD (440) 366-4136.

For on-campus emergencies, dial extension 4444 from a regular college telephone or (440) 366-4444 from a cellular phone.

Visit www.lorainccc.edu/security (<http://www.lorainccc.edu/security/>) to view emergency procedures.

To file an incident report, visit www.lorainccc.edu/report (<http://www.lorainccc.edu/report/>) (anonymous reporting is available).

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act

Consistent with federal law, LCCC publishes an annual security report on or before October 1 of each year. The report includes statistics for the previous three years concerning reported crimes on any LCCC campus and public property within or immediately adjacent to and accessible from the campuses. The report also includes information on reporting crimes and other emergencies, security of and access to facilities, campus law enforcement authority, and other related matters.

Emergency Notification System

Lorain County Community College's Emergency Notification System (ENS) is designed to provide instant mobile, audible, and voice notifications to students, faculty and staff of emergency closures or imminently dangerous conditions. Notification of said events may be announced by the following methods:

- Internal public address system.
- External siren.
- Rave emergency notifications.
- Emails and on-campus voicemails.
- Broadcast alerts on local television and radio stations.
- Emergency announcements are posted on the LCCC website (<https://www.lorainccc.edu>).
- Electronic marquees at main entrances.
- Fliers are posted at facility entryways.
- Campus Security officers, Facility Services personnel and other college officials.
