

OHIO GUARANTEED TRANSFER PATHWAYS

Section 3333.16(C) of the Ohio Revised Code was signed into law in June of 2015. This law requires the Chancellor of the Ohio Department of Higher Education to develop a process, by December 1, 2018, to establish statewide guaranteed transfer pathways from two-year to four-year degree programs in an equivalent field. This effort is directly related to Ohio's initiatives in college affordability and degree completion. The Ohio Guaranteed Transfer Pathways Statewide Steering Committee was created and has begun work on implementing the legislation.
