

MEDICAL ASSISTING CLINICAL FOCUS, ASSOCIATE OF APPLIED SCIENCE

Curriculum Code #2142

Effective May 2023

Division of Health and Wellness Sciences (<http://catalog.lorainccc.edu/academic-programs/allied-health-nursing-health-physical-education-recreation/>)

The medical assisting program provides its students with an orientation to the medical field as an assistant to the physician. Students are introduced to procedures in medical examination, use of laboratory equipment, and office business procedures used in health care facilities. Upon completion of the first two semesters of the accredited program, students are eligible to take the certification examination of the American Association of Medical Assistants. Those wishing to continue their education may complete all courses for the associate of applied science degree. Lorain County Community College has articulation agreements with colleges and universities including programs offered by Lorain County Community College's University Partnership.
