

OCCUPATIONAL THERAPY ASSISTANT, ASSOCIATE OF APPLIED SCIENCE

Curriculum Code #2420

Effective May 2024

Division of Health and Wellness Sciences (<http://catalog.lorainccc.edu/academic-programs/allied-health-nursing-health-physical-education-recreation/>)

The EHOVE/LCCC occupational therapy assistant program is designed to train occupational therapy assistants for certification testing and licensure. OTAs work with people of all ages, from infants to geriatrics, in a variety of settings such as schools, hospitals, skilled rehabilitation and outpatient facilities to improve their functional levels in daily occupations and development. OCTA classes are held at EHOVE Career Center. Graduates of this program will receive an associate of applied science degree in occupational therapy assistant from Lorain County Community College. Grades in all OCTA classes and support, non-OCTA classes required for the program, including preadmission coursework must be C or better. Lorain County Community College has articulation agreements with colleges and universities including programs offered by Lorain County Community College's University Partnership.
