

SURGICAL TECHNOLOGY, ASSOCIATE OF APPLIED SCIENCE

Curriculum Code #2407

Effective May 2017

Division of Allied Health, Nursing, Health, Physical Education and Recreation (<http://catalog.lorainccc.edu/academic-programs/allied-health-nursing-health-physical-education-recreation>)

The surgical technology program prepares its graduates with a thorough knowledge of the principles and practices of surgical procedures and functions in the operating room. Upon completion of the program, graduates are qualified to serve on a surgical team in any hospital operating room and are also eligible to take the Certification Examination of the Association of Surgical Technologists. Lorain County Community College has articulation agreements with colleges and universities including programs offered by Lorain County Community College's University Partnership.
