

COMPUTER INFORMATION SYSTEMS - INTRODUCTION TO NETWORKING, CERTIFICATE OF COMPLETION

Non-Pell Eligible (Students may not use Pell funding for this certificate. Grants may be available. See your advisor.)

Curriculum Code #C618

Effective May 2024

The certificate of completion provides the certificate holder with a foundation in Windows and Linux operating systems along with computer networking. Students will install, configure, and maintain Windows and Linux operating systems in an integrated and virtualized environment and be able to setup basic computer networks.
