Program Learning Outcomes

1. Contrast and apply various management concepts and techniques to starting and managing a small business.
2. Distinguish between and analyze the multiple (economic, financial, legal, international, and social) environment of business.
3. Construct and utilize effective documents and presentations using technology.

Accelerated Pathway

The Accelerated Pathway for the Business Administration - Entrepreneurship, Associate of Applied Business is a helpful guide for students who desire the convenience of an extensive selection of online course offerings and who seek to complete their degree within as little as 15 months. Students are encouraged to enroll in 8 or 10 week sessions to maximize accelerated options. Please meet with an advisor to ensure the courses in this pathway align with your educational goals.
