

CONSTRUCTION TECHNOLOGY - CONSTRUCTION AND RENOVATION TRADESPERSON, SHORT- TERM TECHNICAL CERTIFICATE

Curriculum Code #6175

Effective May 2024

Division of Engineering, Business and Information Technologies (<http://catalog.lorainccc.edu/academic-programs/engineering-business-information-technologies/>)

The construction and renovation tradesperson short-term technical certificate is designed to provide students with the knowledge, cognitive skills and hands-on skills necessary to perform in an entry-level construction position. Employment opportunities exist in a variety of residential construction companies. Every course in the short-term technical certificate program can be applied to the two-year associate of applied science degree in construction technology. Lorain County Community College has articulation agreements with colleges and universities including programs offered by Lorain County Community College's University Partnership.
