

MASONRY TECHNOLOGY - RESTORATION, SHORT-TERM TECHNICAL CERTIFICATE

Not Offered This Year

Curriculum Code #6431

Effective May 2023

Division of Engineering, Business and Information Technologies (<http://catalog.lorainccc.edu/previous-catalogs/2019-2020/academic-programs/engineering-business-information-technologies/>)

The Masonry Technology-Restoration short-term certificate provides students with the basic knowledge, cognitive skills and hands-on experience necessary for competent performance in a masonry restoration position. Employment opportunities exist in a variety of residential and commercial construction companies. Lorain County Community College has articulation agreements with colleges and universities including programs offered by Lorain County Community College's University Partnership.
