

MASONRY TECHNOLOGY - TILE SETTING AND FINISHING, SHORT-TERM TECHNICAL CERTIFICATE

Catalog Addendum (Added to Catalog after publication):

Curriculum Code #6441

Effective August 2020

Division of Engineering, Business and Information Technologies (<http://catalog.lorainccc.edu/previous-catalogs/2019-2020/academic-programs/engineering-business-information-technologies/>)

The Masonry Technology - Tile Setting and Finishing short-term certificate provides students with the basic knowledge, cognitive skills and hands-on experience necessary for competent performance in a masonry tile setting and finishing position. Employment opportunities exist in a variety of residential and commercial construction companies. Lorain County Community College has articulation agreements with colleges and universities including programs offered by Lorain County Community College's University Partnership.
