

WELDING TECHNOLOGY - WELDING, SHORT-TERM TECHNICAL CERTIFICATE

advising-and-counseling). (<https://www.lorainccc.edu/admissions-and-enrollment/advising-and-counseling>)

Curriculum Code #6009

Effective May 2017

Division of Engineering, Business and Information Technologies (<http://catalog.lorainccc.edu/academic-programs/engineering-business-information-technologies>)

The welding short-term technical certificate recognizes the student who has completed a core group of welding courses. This collection of courses will provide the student with specialized knowledge and skills to be prepared for entry-level employment in a variety of industries that utilize welding. Lorain County Community College has articulation agreements with colleges and universities including programs offered by Lorain County Community College's University Partnership.

Course	Title	Hours
