

# SUSTAINABLE AGRICULTURE, ONE-YEAR TECHNICAL CERTIFICATE

Curriculum Code #7195

Effective May 2018

Division of Science and Mathematics (<http://catalog.lorainccc.edu/academic-programs/science-mathematics>)

The One-Year Technical Certificate in Sustainable Agriculture will allow LCCC students to explore careers in agriculture and food systems. Students will learn key sustainability and land stewardship skills as they study the interactions between food, human health, and ecosystem services. Students will contribute to the production, distribution and marketing of locally grown produce through hands-on experiences with local farmers and growers. Students completing this program will acquire the fundamental skills to start their own agricultural enterprise or continue on for the AAS degree. Some courses require travel to off-campus sites. This program is offered in collaboration with Black River Organics farm in Wellington, Ohio. Lorain County Community College has articulation agreements with colleges and universities including programs offered by LCCC's University Partnership.

Course	Title	Hours
<b>Fall Semester</b>		
ENGL 161	COLLEGE COMPOSITION I	3
MTHM 168	STATISTICS <sup>3</sup>	3
SAGR 101	FALL CROP PRODUCTION <sup>1</sup>	3
