

HUMAN SERVICES, ASSOCIATE OF APPLIED SCIENCE

Curriculum Code #5701

Effective May 2024

Division of Social Sciences and Human Services (<http://catalog.lorainccc.edu/academic-programs/social-sciences-human-services/>)

The human services degree prepares students for entry-level social service positions. Within the curriculum, students may select a human services generalist major or a major in gerontology assisting. The associate of applied science degree in human services prepares students for employment as case managers, child care workers, program aides, mental health technicians, job coaches, outreach workers and social service aides. Lorain County Community College has articulation agreements with colleges and universities including programs offered by Lorain County Community College's University Partnership.
