

# JUSTICE SYSTEMS - CORRECTIONS MAJOR, ASSOCIATE OF APPLIED SCIENCE

Curriculum Code #5073

Effective May 2024

Division of Social Sciences and Human Services (<http://catalog.lorainccc.edu/academic-programs/social-sciences-human-services/>)

The justice systems-correction program leads to employment or advancement in local, state and federal public and privately-managed corrections facilities and community-based corrections programs. Corrections graduates also find employment in the expanding areas of crisis intervention, post-incident care, personal and group counseling services, in substance abuse response, and with local, juvenile justice systems. Lorain County Community College has articulation agreements with colleges and universities including programs offered by Lorain County Community College's University Partnership.

## First Year

#### Program Learning Outcomes

1. The role of corrections in the criminal justice system
2. Practice communication verbally, through written documentation, and nonverbally with co-workers, inmates/clients, and others through the use of effective appropriate interview and counseling techniques, listening skills, appropriate interpersonal conversation skills and written reports
3. Apply appropriate counseling therapies and/or recognized treatments in assisting clients in various correctional settings including but not limited to long and short-term correctional facilities, diversion, and post-incarceration aftercare programs
4. Demonstrate professional and ethical behavior in the performance of any duty or assignment
5. Demonstrate cultural diversity and community awareness skills including, but not limited to, conflict resolution, media relations, crime prevention, referrals to and collaboration with both criminal and non-criminal justice agencies
