

COLLEGE-WIDE ASSESSMENT OF STUDENT LEARNING

The College implemented its plan to assess student learning by focusing on assessment activities occurring at the following stages:

- Pre-admission.
- During the student's academic program.
- At the time of graduation.
- Following program completion and/or graduation.

The implementation of the assessment plan includes the participation of randomly selected students at certain times throughout the academic year. The College will make every effort to minimize any inconvenience to participating students.

Data collected from these assessment activities will be analyzed in the aggregate level to maintain student confidentiality. The purpose of assessment is to continuously improve student learning.
