

CAMPUS POLICIES

LCCC's goal is excellence in education and scholarly pursuit. Campus policies assist in meeting this goal through the protection of health, safety, welfare and property of the College and its students, and also preserving and providing an intellectual atmosphere and opportunity for all members of the College community to attain their educational objectives.

In attempting to meet these goals, the LCCC Board of Trustees seeks to regulate the use of the grounds, buildings, equipment and facilities of the College, as well as to provide for the appropriate and orderly conduct of students, staff, faculties and visitors for both campus and College-sponsored, off-campus activities. The Board has adopted standards of conduct for students and visitors to the campus, the violation of which may result in suspension from classes, expulsion from the College and/or ejection from College property of persons who violate regulations.
