

RESIDENCY

All applicants and current students requesting a change of fees to in-state or in-county must complete an Application for Residency Tuition Status Change and provide acceptable proof of residence and source(s) of income. This form (<https://www.lorainccc.edu/admissions-and-enrollment/wp-content/uploads/sites/4/2016/08/ResidencyStatusChangeForm.pdf>) is available in the Enrollment, Financial and Career Services division and must be submitted and approved prior to the first official day of the term for which reclassification is being requested. Residency changes cannot be retroactive. A change to a Lorain County address does not automatically change residency status. Applications are submitted to the Enrollment, Financial and Career Services division.

Residence Status

1. Intent and authority
 - a. It is the intent of the Ohio Department of Higher Education in promulgating this rule to exclude from treatment as residents, as that term is applied here, those persons who are present in the State of Ohio primarily for the purpose of receiving the benefit of a state-supported education.
 - b. This rule is adopted pursuant to Chapter 119 of the Revised Code and under the authority conferred upon the Ohio Department of Higher by Section 3333.31 of the Revised Code.
2. Definitions for the purposes of this rule
 - a. A "resident of Ohio/Lorain County for all other legal purposes" shall mean any person who maintains a 12-month place or places of residence in Ohio/Lorain County, who is qualified as a resident to vote in Ohio/Lorain County and receive state welfare benefits and who may be subjected to tax liability under Section 5747.02 of the Revised Code, provided such person has not, within the time prescribed by this rule, declared himself or herself to be or allowed himself or herself to remain a resident of any other state or nation for any of these or other purposes.

 - c. An "institution of higher education" as used in this rule shall mean any university, community college, technical institute or college, general and technical college, medical college or private medical or dental college, which receives a direct subsidy from the State of Ohio.
 - d. For determining residency for tuition surcharge purposes at Ohio's state-assisted colleges and universities, "domicile" is a person's permanent place of abode; there must exist a demonstrated intent to live permanently in Ohio/Lorain County and a legal ability under federal and state law to reside permanently in the state/county. For the purpose of this policy, only one domicile may be maintained at a given time.
 - e. For determining residency for tuition surcharge purposes at Ohio's state-assisted colleges and universities, an individual's immigration status will not preclude an individual from obtaining resident status if that individual has the current legal status to remain permanently in the United States.

A dependent child of a parent or legal guardian, or the spouse of a person who, as of the first day of a term of enrollment, has accepted full-time, self-sustaining employment in Ohio and established domicile in Ohio/Lorain County for reasons other than gaining the benefit of favorable tuition rates. Documentation of full-time employment and domicile shall include both of the following documents:
 - i A sworn statement from the employer or the employer's representative on the letterhead of the employer or the employer's representative certifying that the parent or spouse of the student is employed full-time in Ohio.

 - d. A veteran and the veteran's spouse and any dependent of the veteran, who meets both of the following conditions:
 - i The veteran either (i) served one or more years on active military duty and was honorably discharged or received a medical discharge that was related to the military service or (ii) was killed while serving on active military duty or has been declared to be missing in action or a prisoner of war.
 - ii If the veteran seeks residency status for tuition surcharge purposes, the veteran has established domicile in this state as of the first day of term of enrollment in an institution of higher education. If the spouse or a dependent of the veteran seeks residency status for tuition surcharge purposes, the veteran and the spouse or dependent seeking residency status have established domicile in this state as of the first day of a term of enrollment in an institution of higher education, except that if the veteran was killed while serving on active military duty or has been declared to be missing in action or a prisoner of war, only the spouse or dependent seeking residency status shall be required to have established domicile in accordance with this division.

A dependent person classified as a resident of Ohio/Lorain County for these purposes under the provisions of section (C) (1) of this rule and who is enrolled when his or her parents or legal guardian removes their residency from the State of Ohio/Lorain County shall continue to be considered a resident during continuous full-time enrollment and until her or his completion of any one academic degree program.
 - b. In considering residency, removal of the student or the student's parents or legal guardian from Ohio/Lorain County shall not, during a period of 12 months following such removal, constitute relinquishment of Ohio/Lorain County residency status otherwise established under paragraphs (C)(1) or (C)(2) of this rule.
 - c. For students who qualify for residency status under (C)(3) of this rule, residency status is lost immediately if the employed person upon whom resident student status was based accepts employment and establishes domicile outside Ohio less than 12 months after accepting employment and establishing domicile in Ohio.
- d. Any person once classified as a nonresident, upon the completion of 12 consecutive months of residency, must apply to the institution she or he attends for reclassification as a resident of Ohio/Lorain County for these purposes if such person in fact wants to be reclassified as a resident. Should such person present clear and convincing proof that no part of her or his financial support is or in the preceding 12 consecutive months has been provided directly or indirectly by persons or entities who are not residents of Ohio for all other legal purposes, such person shall be reclassified as a resident. The Records office personnel, who may require, among other things, the submission of documentation regarding the sources of a student's actual financial support, shall make evidentiary determination under this rule.
