TESTING AND ASSESSMENT CENTER

The Testing and Assessment Center provides a centralized location designated for testing. Accuplacer and other assessment services with flexible hours. Testing arrangements outside of the classroom must be arranged with the instructor.

The Accuplacer provides the opportunity to complete the placement assessment in a way that is most convenient for students. With a picture I.D., you can take the assessment on a walk-in basis. The assessment takes approximately three hours. When results are available, students meet with counselors or academic advisors to interpret scores. Sample assessments and web-based study app are available to students.

Please check the posted schedule for the Testing and Assessment Center (https://www.lorainccc.edu/testing-and-assessment) hours each semester.
